g reveal: isn't it gorgeous?

Calm Tones

Gray is my favorite color, and Candice is a fan, too. This shade has pretty blue undertones. *Valspar Kitchen & Bath Enamel in Drizzling Mist; lowes.com.*

Sink Fix

The modern vanity-plus-sink is a massive improvement. Even though we lost a bit of counter space, there's still room on top for toothbrushes and soap. And the elegant chrome WaterSense faucet reduces water flow by at least 30 percent, which is a huge money saver. *Sonata 32" vanity; magickwoods.com. Grohe Atrio faucet; lowes.com.*

Storage Plan

Because the vanity is open on the bottom, the

Bathing Beauty

A slightly longer and wider (and whiter!) tub gives us a little more breathing room. The showerhead has an integrated hand shower, which comes in handy for my girls' bath time. *Carlisle showerhead; deltafaucet.com. Mendota tub; kohler.com.*
